The display area is free with the only cost to be the table hire if required and clubs are encouraged to put on a neat, tidy and informative display with pictures, pamphlets, **backdrop** displays and possibly slide or video shows. One table will be available per club, at a cost of \$22 if required, as well as 1 exhibition pass and meal tickets for one person. This is totally separate from layout displays and is only for the promotion of the club, club exhibition, club activity, the hobby and for signing up new members.

Please provide a brief description of your club for the exhibition guide. If there is any other information the organisers should be aware of please write this down as well.

This club exhibit is free and is for club promotional activities only. No sales will be allowed at the free Club stands. Fund raising such as raffles, club memberships and selling club regalia are the **ONLY** exceptions.

The display size is big enough for one 6 foot table and must be well presented, well laid out and have the table covered and a rear wall or back drop. Remember, your club and our exhibition are putting on a display and promotion to the public so we must do the best we can.
